that authorizes the health insurer to offer out-of-state health insurance plans in Minnesota,
using a form prescribed by the commissioner. Upon application, the commissioner shall
issue a certificate to the health insurer unless the commissioner determines that the
out-of-state health insurer:
(1) will not provide a health plan in compliance with this chapter;
(2) is in a hazardous financial condition, as determined by an examination by the
commissioner conducted in accordance with the Financial Analysis Handbook of the
National Association of Insurance Commissioners; or
(3) has not adopted procedures to ensure compliance with all applicable laws
governing the confidentiality of its records with respect to providers and covered persons.
Subd. 2. Validity. A certificate of authority issued pursuant to this section is valid
for three years from the date of issuance by the commissioner.
Subd. 3. Rulemaking authority. The commissioner shall adopt rules that include:
(1) procedures for an out-of-state health insurer to renew a certificate of authority,
consistent with this chapter; and

to carry out the provisions of this chapter.
Subd. 4. Applicability of certain statutory requirements. A health insurer

applicable to health plans offered by a domestic health insurer pursuant to chapter 72A.
Subd. 3. Nondiscrimination. The procedures and standards established under
subdivision 2 must be applied on a nondiscriminatory basis so as not to place greater
responsibilities on out-of-state health insurers than the responsibilities placed on domestic
health insurers doing business in Minnesota.

The commissioner shall adopt rules to effectuate the purposes of this chapter. The
rules must not:

state's laws or regulations, except as necessary to comply with Minnesota law;
(2) provide for regulatory requirements that are more stringent than those applicable
to carriers providing Minnesota health plans; or
